The late Owner had spent two years extensively refurbishing the sailboat In broad terms:

- The fiberglass hull has stripped back, repaired, re-glassed and repainted.
- New bowsprit has been fitted.
- The Perkins diesel engine has been rebuilt and new electrical generator installed.
- The boat has been electrically rewired with all new switch gear.
- New radar and electronics has been procured ready for fitting,
- The inside of the 'Hide-Out" has been stripped back, repaired and the timberwork varnished to origin condition.
- The galley has a new Engel refrigerator and ice box.
- Two new aluminium masts and booms are ready for erection.
- Two new flat screen TVs have been installed.

The "Hide-Out" is seeking a new owner to complete the refurbishment and enjoy the pleasures of sailing a classic yacht It is presently located in secure on-shore storage at Watercraft Marine at Subic Bay, Philippines.
